Gráfico de colunas com cor diferente

Boxplot

Histograma

Histograma com % no eixo Y

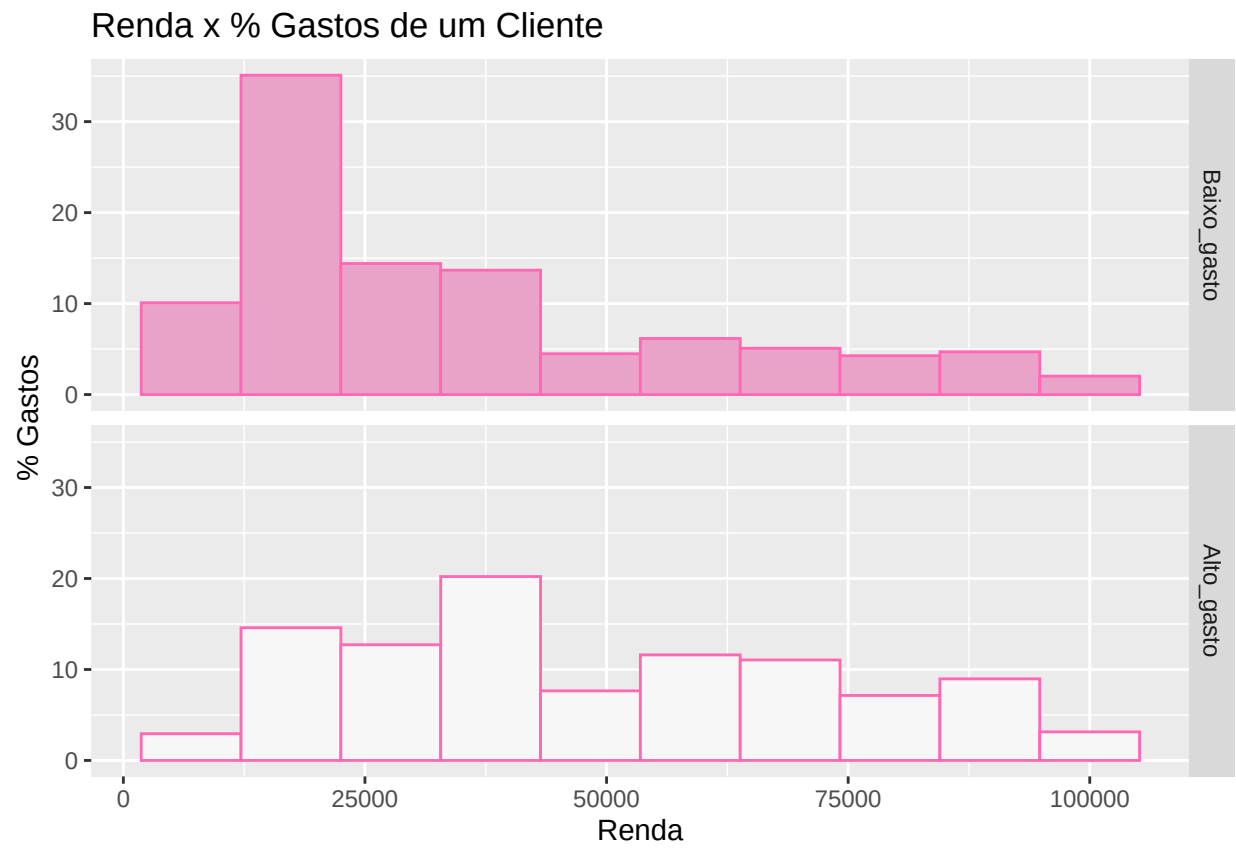

Gráfico de Dispersão

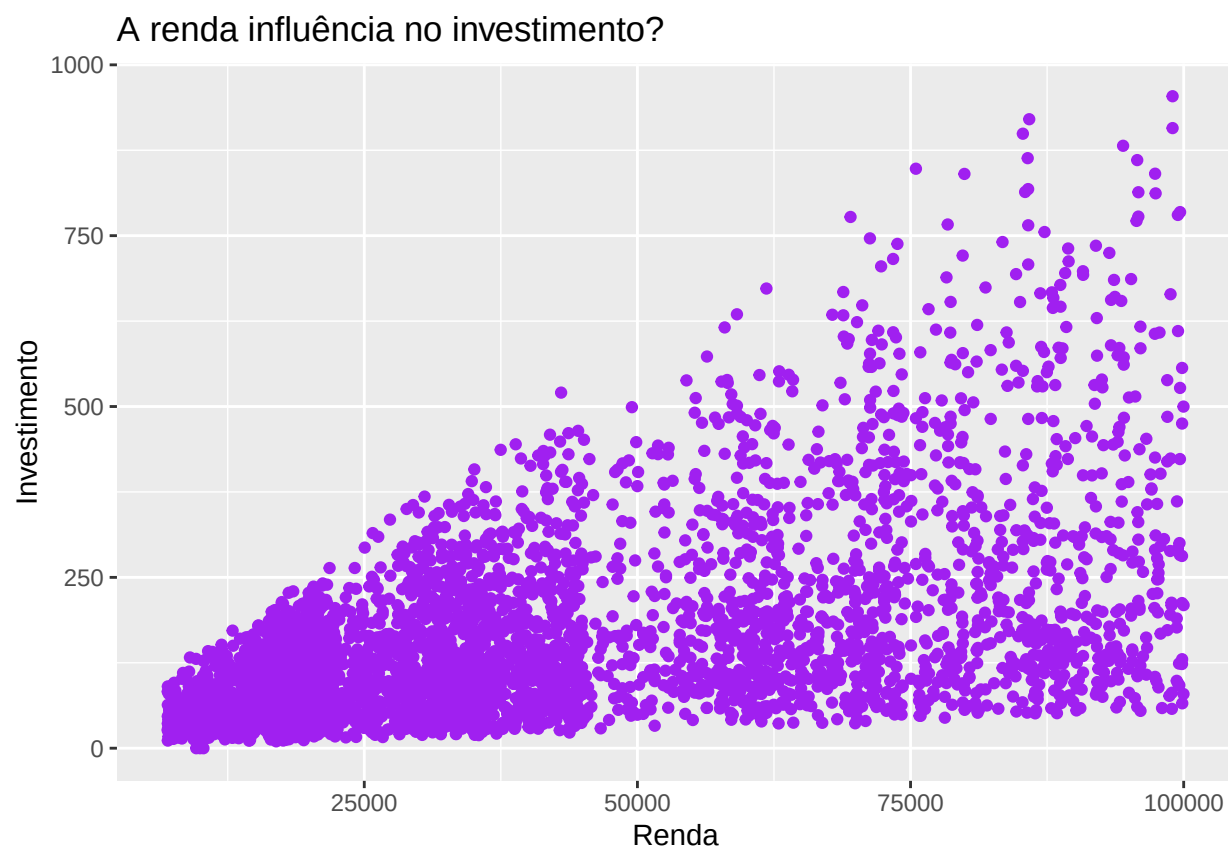

Gráfico de dispersão com linha de tendência

```
## 'geom_smooth()' using formula = 'y ~ x'
```

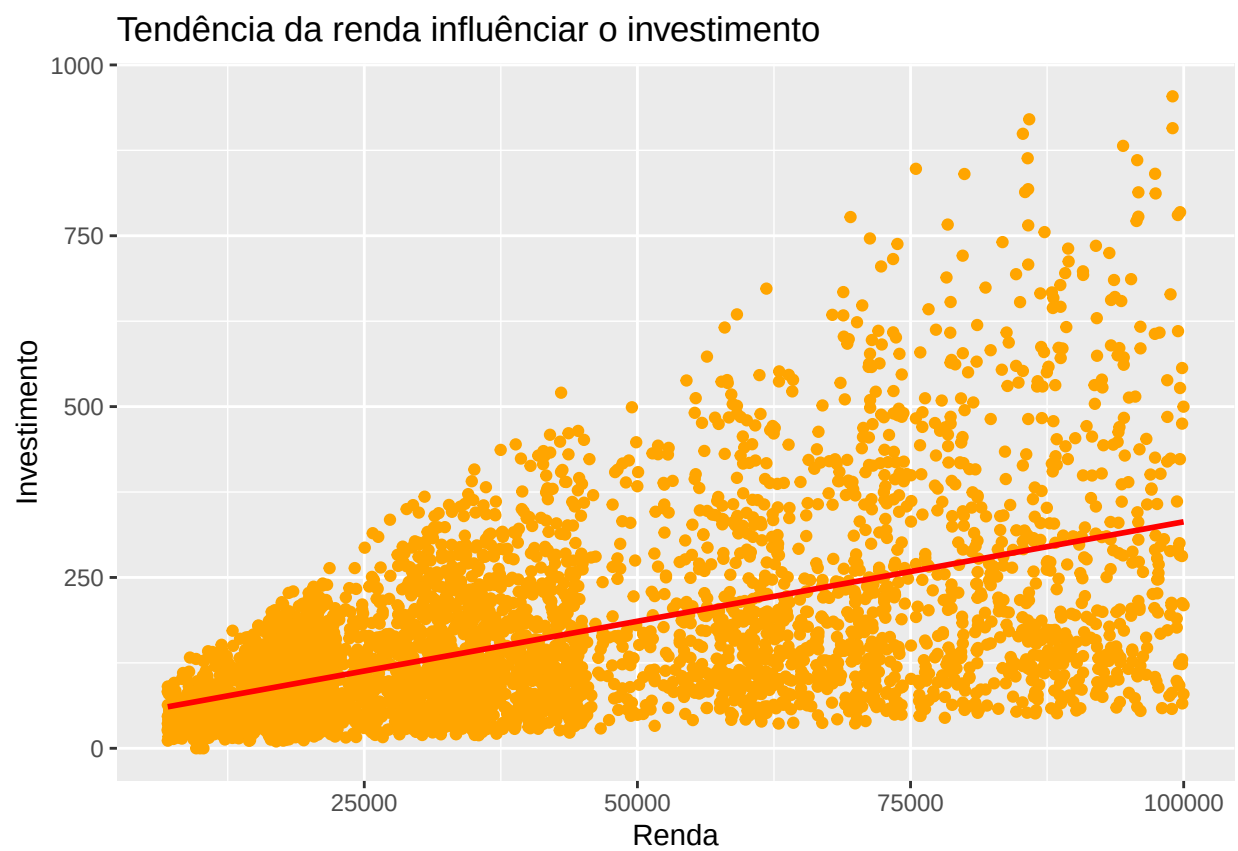

Gráfico de dispersão segmentado

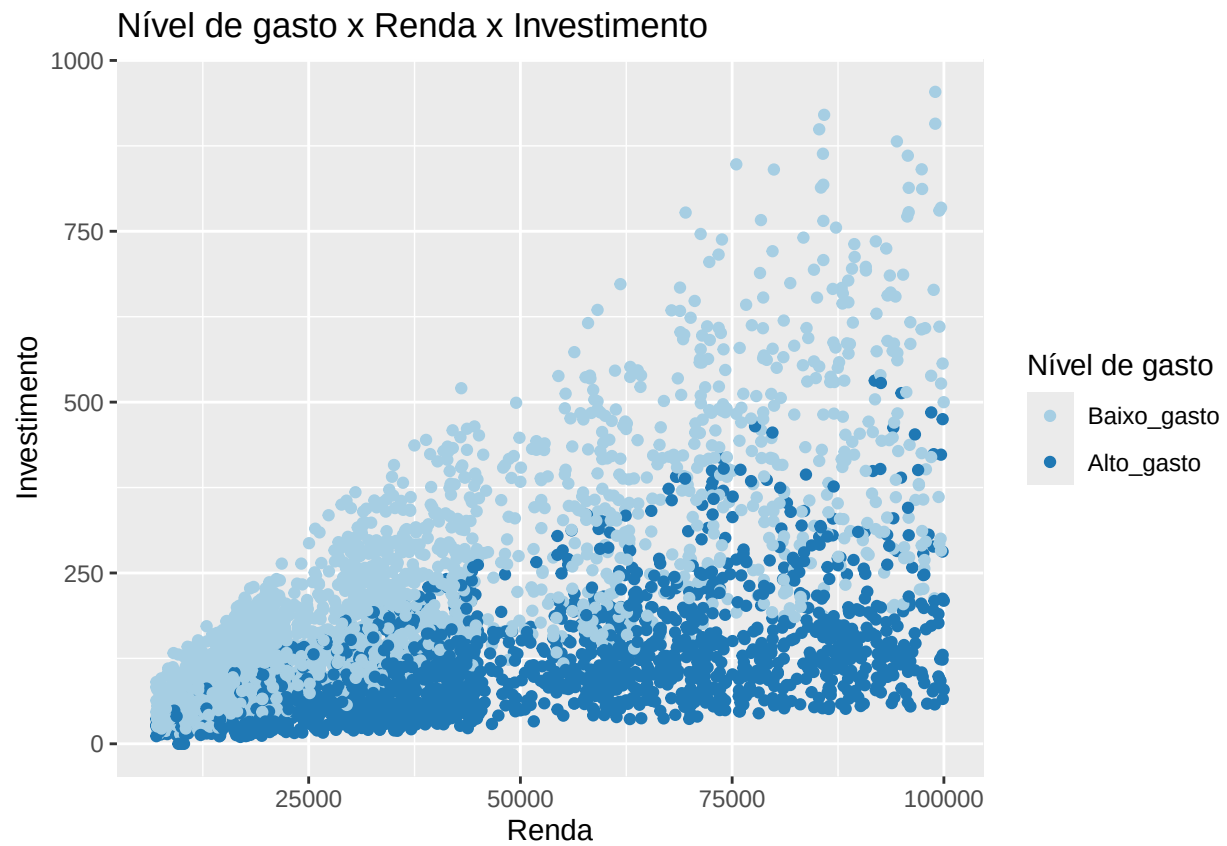

Gráfico de dispersão segmentado e com linhas de tendência

```
## 'geom_smooth()' using formula = 'y ~ x'
```

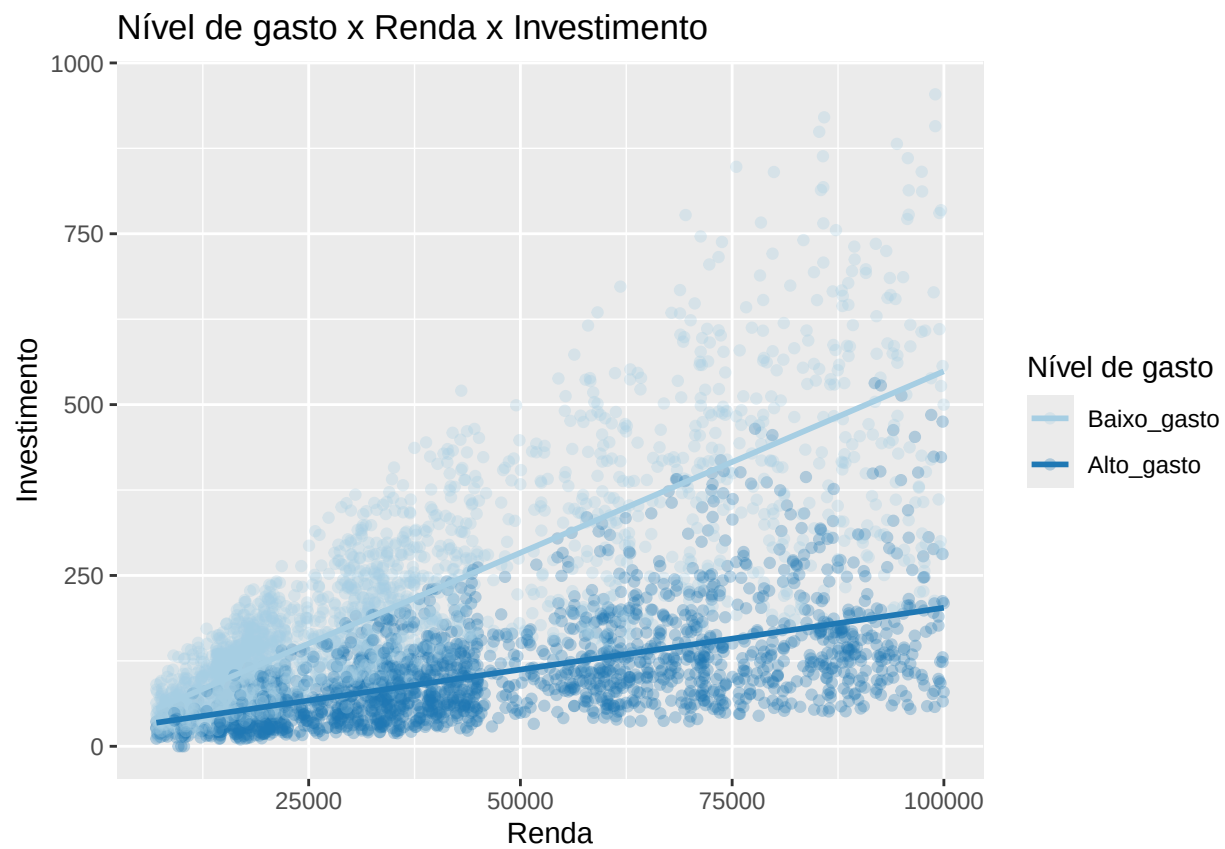

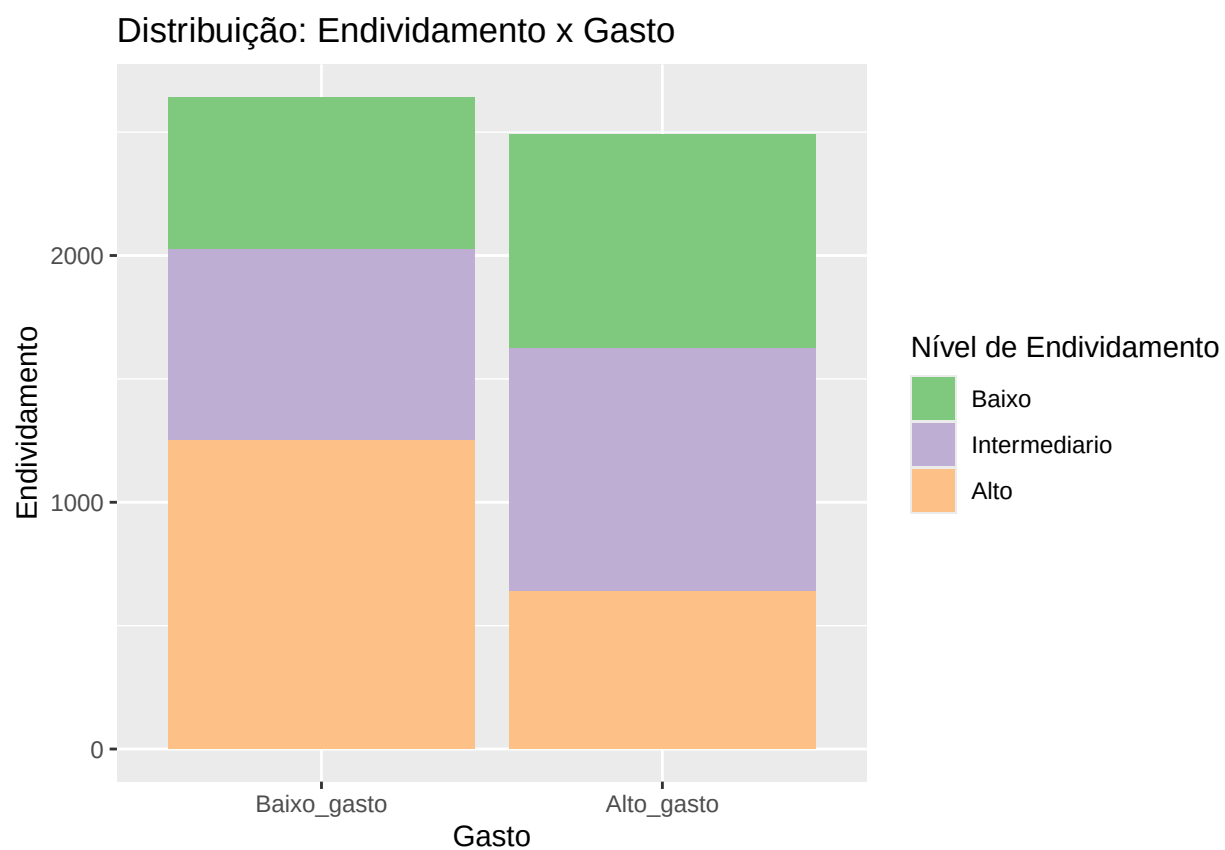

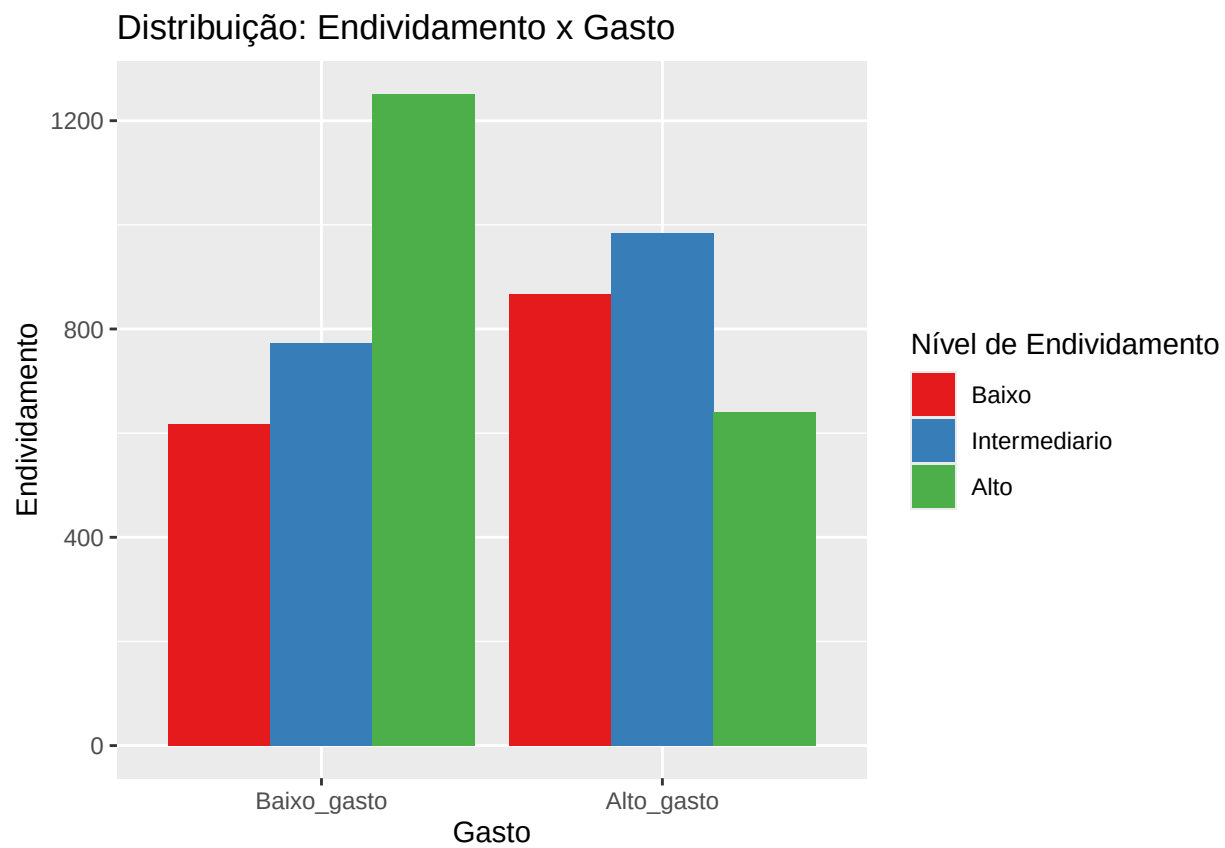

Gráfico de colunas segmentado

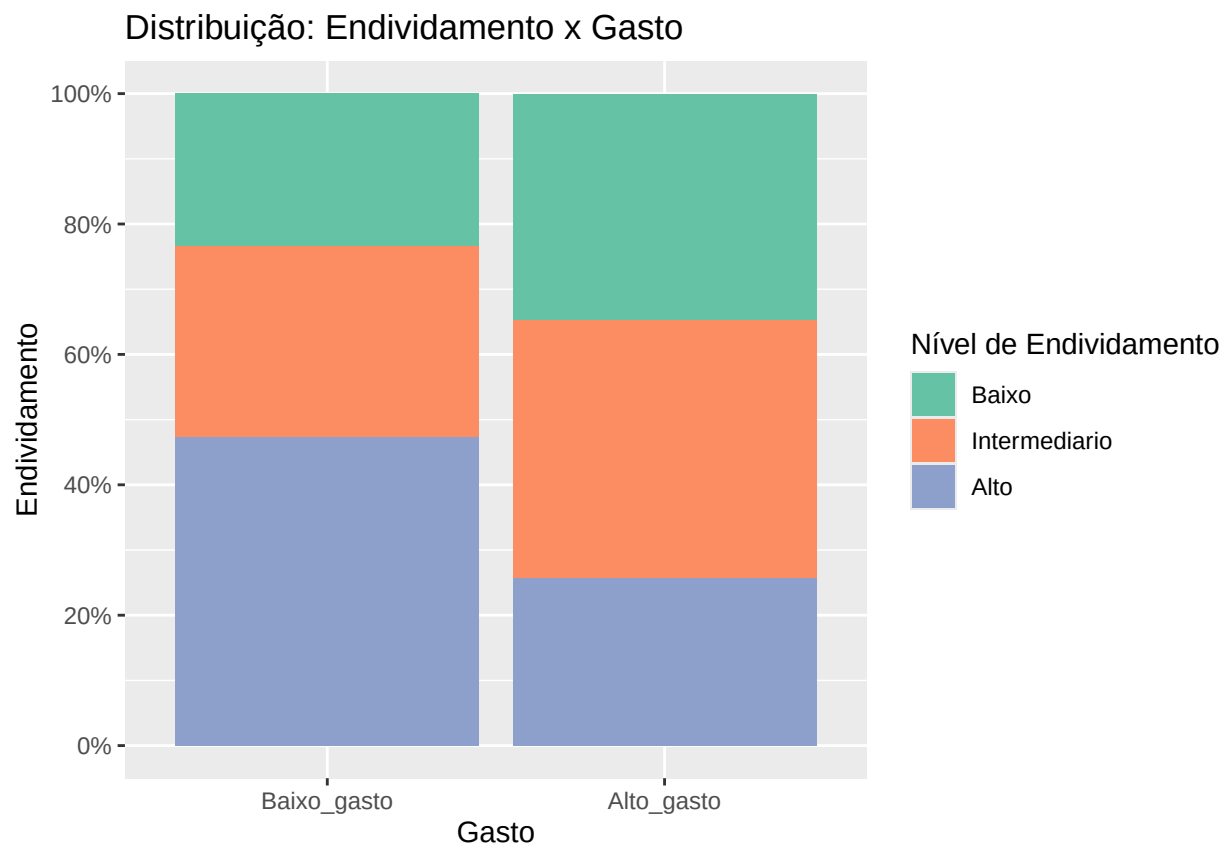

Colunas empilhadas (com contagens)

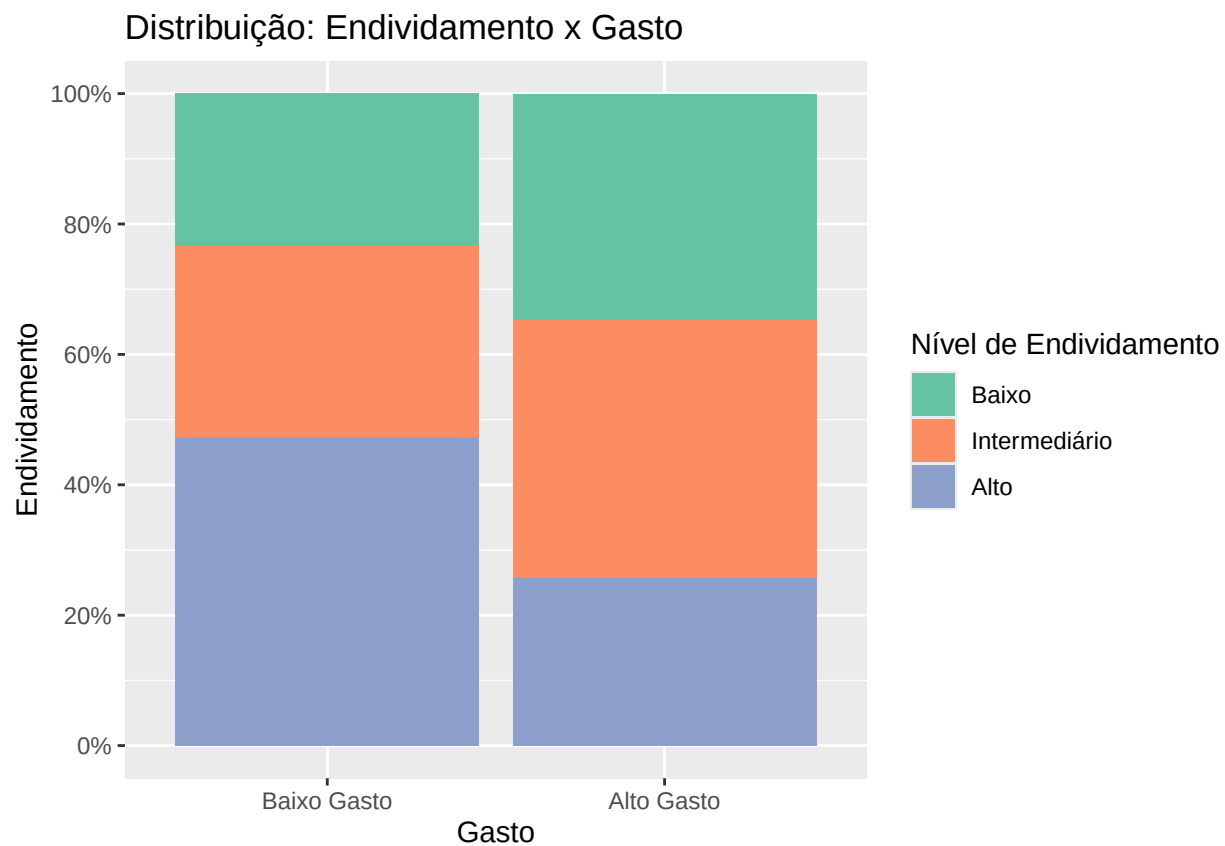

Colunas lado-a-lado (com contagens)

Colunas empilhadas (com %)

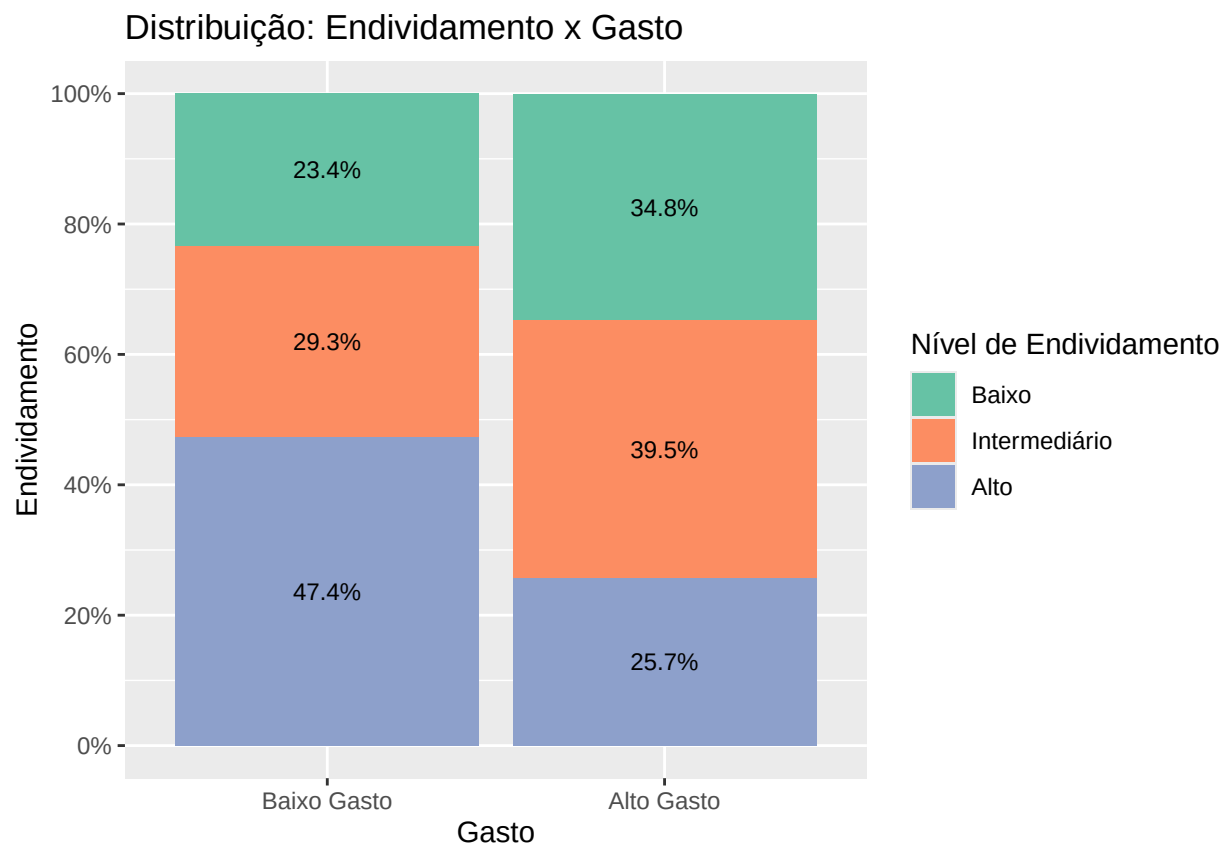

Colunas empilhadas (com %) alterando os rótulos dos eixos

'summarise()' has grouped output by 'Gasto'. You can override using the
'.groups' argument.

Colunas empilhadas (com %) e as % inclusas no gráfico

Alterando o tamanho dos pontos do gráfico de dispersão
